**Newport Alumni**....Now is your chance to give back! Newport Recreation is looking to upgrade its facility. After 52 years in the Old Armory, retirement is on the horizon. With your help we can bring the town an upgraded facility for the citizens.

We have raised \$1.3 million thus far!!!! This is a **CLASS CHALLENGE**, and each graduating class that donates above \$250 will be listed on our donor wall. You do get **class bragging rights**, and perhaps a better facility for the next generation of Newporters!

If you are interested in joining this competition send your check to: Town of Newport, Community Center Project, 15 Sunapee St, Newport NH 03773 In the memo line: State your Class "1982" OR visit **newportrec.com** to see our vision and donate online! Find us on Facebook as well under Newport Community Center. **Thank you!**
